

**Become a supporter!**

Symphonicity is an all-volunteer orchestra comprised of members from communities throughout the Hampton Roads area. The orchestra provides an opportunity for professional, amateur and student musicians to work together and perform music ranging from classics to popular selections. In return, the live performances enrich our community and enhance the cultural education of our young people.

If you are interested in playing with the Orchestra, please call the Symphonicity office at 757-671-8611 or check out the Auditions page at [www.Symphonicity.org](http://www.Symphonicity.org) for more information.
